

The Lord calls Samuel - worksheet

Activity 1: Make a telephone

Equipment:

- . Two yogurt pots or styrofoam cups
- . A long piece of string.

Steps

1. Carefully make a hole in the bottom of both cups.
2. Thread the string through the hole and make a knot in it so it doesn't come back out of the cup.
3. Do this to both cups with the piece of string.
4. Now ask a friend or family member to hold you cup to their ear whilst you walk away to make the string tight.
5. Talk into the cup whilst they listen.
6. Then it is their turn to talk whilst you listen.

Activity 2:
Listen for Sounds

Get a piece of paper and listen for all the different sounds you can hear right now and write or them.

Let me know how many and what they are?

I have heard ;

- two different birds singing,
- cars going past outside,
- my laptop tapping as I press the keys,
- an aeroplane passing nearby,
- a humming from the fridge.

What did you hear?
