

The Temptation of Jesus:

Choose a partner:

- . Decide who is the Holy Spirit and who is to be the person.
- . Find a scarf and stand next to your partner
- . Wrap the scarf around 1 of your legs and 1 of your partners legs
- . Put your arms around each other so that you both have to move at the same time and the same way.
- . The one being the HS says which way you both need to travel and the person needs to obey.
- . swap over.

Set up an obstacle course:

- . ask the adult who looks after you where to set up the obstacle either in the garden or indoors
- . choose someone to be the Holy Spirit for you
- . blind yourself by either closing your eyes, no cheating or use a scarf as a blindfold.
- . get the person who is being the HS to either guide you physically around the obstacle course or telling you which way to go.
- . swap over. Be careful.
- .
