

## Noah Trusted God

### Trust in God experiment

#### Equipment:

1 zip lock sandwich bag

Some very sharp pencils

Water

#### Method

- . Fill the bag with water
- . Zip the bag shut.
- . Poke the pencil straight through 'the bag of problems' be careful not to twist the pencil in the bag.
- . see how God has brought us through the problem safely if we don't struggle but trust in Him.

## Make a plate spinner

### Equipment:

- . a piece of card or small flat plate
- . something to make two small holes with
- . some crayons or felt tips.
- . a length of string about 12" (30 cm)

### Method:

- . draw and cut out a small plate shape if using card
- . write the word *GOD* across the middle of the card on 1 side
- . on the other side draw a picture of yourself.
- . carefully poke two holes into the card.
- . thread one end of the string through one hole of the card/plate and the other end of the string through the other hole.
- . twist the string and pull. You should see the yourself inside *GOD*.
