

The Creation of the World

To make a 'creation' mobile:

Equipment:

- . paper or card
- . paint or crayons
- . wool or string
- . scissors
- . an old coat hanger or stiff piece of card.

1. Ask your adult to help you cut out either numbers 1,2,3,4,5,6 and 7 or some cloud or other shapes.
2. Draw and colour each day on a separate number or cloud or shape that you have chosen. **Be careful to put the correct picture to the correct day that God made it.**
3. Carefully put a hole into the top of each picture so you can thread some string or wool in it.
4. Hang them from a coat hanger or stiff piece of card. **If using card, you will need to carefully put an extra piece of string or wool into it to be able to hang it somewhere.**
5. Tidy up when you have finished.
