

## Jesus walks on water - worksheet

Activity 1: Colour in Peter and Jesus and then cut them out carefully for the retelling of the story

Activity 2:

Try the water experiment for yourself

Equipment:

- . Large bowl of water
- . paper
- . scissors

Method:

- . cut out a Peter and Jesus (remember to give them big feet of faith)
  
- . fold their feet over so they can stand up by themselves.
  
- . tell the story to your family and friends but don't tell them the secret!
