Activity 2:

Ask God to give you and each member of your family wisdom every day this week.

(James 1:5 NKJV) If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.

Holy Spirit I ask that You give me and my family (name each Person) wisdom when my adult is at work, at school when I am doing my schoolwork and playing with my friends and at home when we are with each other this week.

Thank you that you will give wisdom to us because James 1:5 says, if we can ask, you will give us it liberally; lots of wisdom. Amen.
