

King David worksheet

Activity 1:

Make up your own song of thanks to God.

Think about the weather,

your family,

your friends,

your health,

having a lovely place to live,

food,

clothes.

I am sure you can think of lots more.

I will give a prize to all who send in a copy of their song of thanksgiving, including any adults.

Activity 2:

Draw me a picture of either David or yourself giving thanks to God.
