Activity 2: RAINING SULPHUR EXPERIMENT!

Equipment:

- . empty clean wide topped jar
- . shaving foam
- . liquid food colouring
- . small cups
- . water

Method:

- . Fill the jar with water
- . put some shaving foam on the top to represent the cloud
- . put a small amount of water into each cup
- . add a different food colouring to the cup with water in, mix well
- . carefully pour a small amount of the food colour mix onto the cloud.
- . watch the food colours become rain in the jar as it goes through the cloud.
